When only the best will do...

Party Foods from Farrington's

Farrington's can now offer you a wide range of home-made, quality food for those special occasions when only the best will do.

All our party food is hand-made to order in our own kitchens, here on the farm. As with all our home-made food, it is made with the finest wholesome ingredients and contains no artificial flavourings, colourings or preservatives, nor any hydrogenated fats - so you can buy with confidence.

Our extensive range includes sandwiches, savoury pastries, quiches, soups, salads, desserts and cakes, including a selection of fashionable cup cakes.

In addition, a wide choice of meat and cooked meats are available from the Farm Shop together with a full range of locally produced gourmet products.

About your order:

In addition to our hand-made party food, we can supply both local, traditionally-raised fresh meat and/or sliced cooked meats to complement your menu. If you would like to know more please ask a member of staff or ring for prices.

You will find that Farrington's Farm Shop also stocks a full range of locally produced gourmet products, such as salsas, chutneys and sauces, which can help to provide the finishing touches. If you are unable to find a particular product, or have any queries, please do not hesitate to ask a member of staff for help.

Experienced members of staff are always on hand to offer advice and can help to tailor the order to suit your individual needs, if you wish.

If you would like more details, or help with your order, please ask a member of staff or ring us on 01761 451698.

Please note that orders should be placed at least two weeks before required.

Our order form has been designed to be clear and easy to complete. When completed, please hand your order to a member of staff who will process it for you.

Full payment is required when the order is placed.

Thank you for choosing Farrington's Party Food.
